

# DocuPunch® MK2 Automatic Punch

The DocuPunch® MK2 is the latest generation automatic punch from the James Burn Lhermite® line. Designed for accurate mid-volume automatic punching on demand, punching preprinted, collated documents directly from your copier or printer including mixed stocks from 16 lb. bond to 110 lb. index. Also punching index tabs that are pre-collated into the finished sets.

The latest generation DocuPunch® MK2 Automatic Punch has 3 cycle speeds allowing it to punch up to 35,000 sheets per hour. The new version of the DocuPunch® now comes with 3 selectable speeds (50, 60 or 70 cycles per minute) to offer more productivity and more security for a wider range of punching jobs.

In real world applications you can expect to see production rates up to 25,000 sheets per hour based on a 20 lb. bond stock allowing time for the operator to load and unload stacks of paper.

## FEATURES:

- **Very Fast** - Cycle Speeds up to 35,000 sheets per hour with clean, perfect holes for finishing.
- **3 Selectable Speeds** - 50, 60 or 70 cycles/minute to offer more productivity and more security for a wider range of punching jobs.
- **Versatile** - Punches wide variety of paper stocks and covers and even tabbed sheets in sizes from 5.5" x 5.5" up to 12" x 13" kept in perfect pre-collated order.
- **Easy-to-Use** - Hands-free operation. Simply load the tray, push a button and walk away. No special training or personnel required.
- **Unique Paper Handling** - Positive sheet pickup with beak, and 3-sided jogger for perfect punching registration.
- **Ergonomically Styled** - Allows all operations, including punch die changes, to be performed quickly and easily from the front of the machine. Incorporates integral storage space for three tools.
- **Tools Available** - Wide choice of round and square-hole punching dies including: Wire-O® wire; Plastic Coil; Plastic Comb; VeloBind®; 2, 3 & 4-ring binder; etc.
- **Safety & Auto-Stop** - Built-in facilities to help avoid paper jams and increase safety.
- **Compact** - Benefits from a very small footprint without compromising on power and quality.
- **Installation** - Lockable caster wheels allow quick and easy machine placement.

# DocuPunch® MK2 Automatic Punch

Designed with the On-Demand market in mind... setup time in less than a minute, die changes in seconds and hands free operation so your operator is free to perform other tasks. With an incredibly small footprint and heavy-duty casters, the DocuPunch® is assured to fit even in the tightest of space requirements.

The DocuPunch® is as easy to use as an office photocopier, this versatile, ergonomically designed time-saver offers hands-free punching of pre-collated books, presentations, reports and even tabbed sheets in a free-standing unit that makes quick, light work of your diverse punching needs. Simply load the tray, push a button and walk away. The DocuPunch® accurately punches a wide range of materials and sizes, operated by a simple touch key control panel featuring positive sheet pickup and 3-sided punching registration, for perfect holes every time, kept in perfect pre-collated order.

With a wide assortment of die patterns are available, the DocuPunch® offers super fast changeover times and is the perfect companion to mid-volume Plastic Comb, Wire-O® wire and Spiral Plastic Coil document finishing solutions in central reproduction departments and digital on-demand printers where efficiency and productivity are a must.
